

Traverse Therapeutics to Present at the Guggenheim 6th Annual Biotechnology Conference

February 1, 2024

SAN DIEGO, Feb. 01, 2024 (GLOBE NEWSWIRE) -- Traverse Therapeutics, Inc. (NASDAQ: TVTX) today announced that company management will present at the Guggenheim 6th Annual Biotechnology Conference on Thursday, February 8, 2024, at 11:30 a.m. ET.

A live webcast will be accessible on the Investor page of Traverse's website at ir.traverse.com/events-presentations, and a replay will be available for up to 30 days following the event.

About Traverse Therapeutics

At Traverse Therapeutics, we are in rare for life. We are a biopharmaceutical company that comes together every day to help patients, families, and caregivers of all backgrounds as they navigate life with a rare disease. On this path, we know the need for treatment options is urgent – that is why our global team works with the rare disease community to identify, develop, and deliver life-changing therapies. In pursuit of this mission, we continuously seek to understand the diverse perspectives of rare patients and to courageously forge new paths to make a difference in their lives and provide hope – today and tomorrow.
